Testimonials

Sheikh has exceptional attention to detail. This is critical for us in order to save time with revisions. He is easy to connect with and very responsive. He also worked late into his night to turn in pages that we needed right away.

Project : Convert Existing website using material design principles

Alex Norbert
[SendYourMedia](#)

Sheikh Naveed without doubt is the best UI/UX, website designer i have worked with, he grabs new concepts easily, always helpful and delivers awesome designs, already rehiring him for another project.

Project Title: Website Design Modification in PSD

Alex Edem
[Amplify Digital](#)

Very good combination of design and html skills which makes front end development alot more efficient. Good communication and always available to discuss as the project progresses. Will continue to hire.

Project Title: UI/UX front-end developer

Islam Rahil
[certificateApp](#)

Sheikh's deliverables (High Fidelity Mockups + Supporting HTML, CSS, JS code) for a mobile UX redesign of an existing web app met or exceeded expectations and he was a pleasure to work with.

Project Title: Responsive/Mobile Web App Design

Ola Adedoyin
[Resultgrid](#)

Sheikh is an very talented and professional designer. He responded to our inquiries fast and provided great communication. We look forward to hiring him again soon!

Project Title: Visual Designer Expert for UI Design Project

Phil Shephard
[Academic Paradise Inc](#)

Sheikh did a great job! He is an excellent designer and listened well to my requirements. He communicated well and produced designs in a timely manner. I will use Sheikh again in the future.

Project Title: Excellent UI Designer for Online Educational Community

Robert Armbrister
[RSAGroup](#)

Sheikh is the best designer I've ever worked with - period. As you can see I've been using him for a long time and he always produces fantastic work!

Project Title: UI and UX Expert for Long Term Project

Matt Kneese
[mycompanyworks](#)

Sheikh helped us with creating a beautiful HTML layout for some of our email templates. They look much better now, thank you Sheikh!

Project Title: Kevin Trowbridge

[Qwoted.com](#)

An amazing experience. Super attentive, communicated amazingly, and delivered as required on time! Definitely in my Rolodex

Web Software UI for whitelabeled business tool software

Eric Libaliron
[Zero404](#)

Sheikh is a wonderful designer and a great worker. He is very responsive and communicates very effectively. He adheres to all deadlines and is very understanding of needing expedited work. He has been a pleasure to work with.

Project Title: Logicblock seeks innovative graphic designer

Solomon Delconte
[Logicblock](#)

I would not hesitate to recommend Sheikh as a UI developer. He has very strong skills and is one of the most productive individuals I have worked with. Professional and excellent value delivered.

Project Title UI UX developer

Adam J Blakeley
[AD&M Corporation](#)

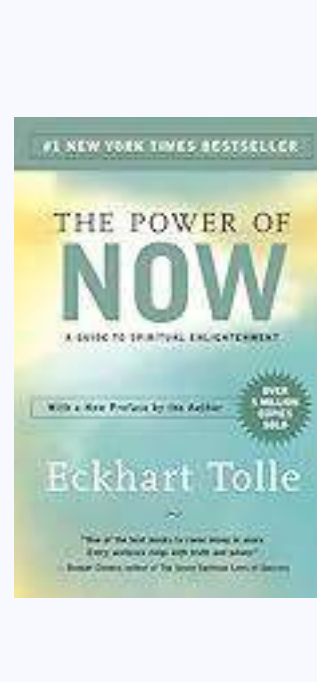

I enjoyed working with Sheikh. He was very responsive and provided us with multiple revisions for our work. Due to the aforementioned qualities coupled with adherence to our project schedule and budget, we will be working with him again.

Project Title: Seeking Designer for Real Estate Tablet App

Karilthi Killemi
